

Love Singing?

Do you enjoy singing? It's great for your health, mental ability and 'feel good' factor - and singing with others is extremely enjoyable!

Wanted - Male voices in particular (females also welcome)

Kington Community Choir, formed 5 years ago, is now over 40 strong and would welcome more members, especially tenors and basses.

We are a non auditioning choir, rehearsing on Thursdays (term time) at 7pm-8.30pm at Kington Primary School.

Our repertoire includes folk, traditional, pop classics, easy listening and songs from the musicals (usually in 3 or 4 parts).

Just come along or email Secretary Teresa at kccherefordshire@gmail.com or visit website www.kcchoir.wordpress.com
