

Just to let everybody know we have closed the pub until we are allowed to reopen.

The shop will definitely remain closed until January when we will review it.

If there is enough interest we will keep it going, drop us an email or note on face book to let us know your thoughts

If we keep it going what would you like to see?

We currently do fresh veg, meat, cheese, milk , freshly baked bread , and loads more, also we now have a bean to cup coffee machine for fresh coffee.

I do have some milk dated 24th December if anyone is stuck give us a call.

Have a great Christmas and new year
