Notice boards in Newchurch. The church notice board has been repaired; there is a current agreement to pay £100 towards this repair once an invoice is received. Viv said he would request an invoice from Wayne Maddy for this work. In respect of the village notice board, it was agreed to meet the full cost of a replacement as the present board is deemed to be beyond economic repair. Viv will also ask Wayne Maddy to proceed within the agreed budget of £350.

Jane brought up the subject of the hydroelectric power scheme being considered in the Council area, saying that the residents in the Colva area didn't appear to have been included in the discussion. There followed a free-ranging debate about the issues arising from the original proposition regarding the harnessing of local resources for power generation.
